Who Barack Hussein Obama is!

By: Robert Buckner - 9/5/2011 12:46 PM

There is no excuse for man to not know the Word of God and God's Will for man! The Bible is in print and is available to everyone to access! Every man will be subject to what he does, or, does not do, with the information in this Book!

Likewise, there is no reason that every person in America should not know "who" Barack Hussein Obama is and "what" he truly represents! He has written books and in those books he has stated quite plainly – for all to read – "who" and "what" he is! Every American will be subject to what he does, or, does not do, with the information in this Book!

Following are just a few excerpts from his books:

Obama's book, **Audacity of Hope** is difficult to read, considering his attitude toward *us* and everything American. Listed below is a phrase he used to describe his attitude toward whites. He harbors a "**COIL OF RAGE**". His words not mine.

THIS IS OUR PRESIDENT -- HE'S RUNNING AGAIN, YOU KNOW! Is anyone out there awake?

Everyone of voting age should read these two books by him: Don't buy them, just get them from the library.

From, "Dreams From My Father:"

"I ceased to advertise my mother's race at the age of 12 or 13, when I began to suspect that by doing so I was ingratiating myself to whites."

From, "Dreams From My Father:"

"I found a solace in nursing a pervasive sense of grievance and animosity against my mother's race."

From, "Dreams From My Father:"

"There was something about her that made me wary, a little too sure of herself, maybe and white."

From, "Dreams From My Father:"

"It remained necessary to prove which side you were on, to show your loyalty to the black masses, to strike out and name names."

From, "Dreams From My Father:"

"I never emulate white men and brown men whose fates didn't speak to my own. It was into my father's image, the black man, son of Africa, that I'd packed all the attributes I sought in myself: the attributes of Martin and Malcolm, DuBois and Mandela."

And FINALLY and most scary:

From, "Audacity of Hope:"

"I will stand with the Muslims should the political winds shift in an ugly direction."
