

The Universal Law of Increasing Entropy!

By: David Hicks

Entropy is an English word that has its roots in the ancient Greek language. It comes from two root words in the Greek language; 'En', which means 'inward'; and 'Trophe', which means 'transformation'. Combined they form the Greek word 'Entrophe'; which describes, "To turn one upon himself and so produce a feeling of shame". It is translated in the English as "shame".

The English word Entropy is used to describe a universal disorder in any given system. The universal law of entropy states: "Every system tends to disintegrate into disorder or confusion if left to itself".

The long and short of it; anything established in a given order on an established ground of authority and kept by that authority, stays functional. However, when left to itself, apart from the established authority, dysfunction reigns in its place.

This has its **first application** in the service to God. God has established a specific source of authority to establish His people in righteousness; that which maintains them in order and function. This is the intent of God's word!

2 Timothy 3:16-17 "All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, ¹⁷ that the man of God may be complete, thoroughly equipped for every good work."

Yet, when Christians fail to use the established authority of God's word to guide them, maintain them, and allow them to function to His purposes, here is the result:

1 Corinthians 6:5 "I say this to your shame. Is it so, that there is not a wise man among you, not even one, who will be able to judge between his brethren?"

1 Corinthians 15:34 "Awake to righteousness, and do not sin; for some do not have the knowledge of God. I speak *this* to your shame."

The Apostle Paul uses the Greek word '*Entrophe*' to describe the state of these Corinthian Christians who had ignored the instruction of God's word that would have kept them. We also see this today, in the chaos that is so-called Christianity. Very few seek the true order of God as revealed in His word; thus, we see no unity in those who state they are servants of God in Christ (Unity is one of the specific characteristics of those guided by God's word – **Ephesians 4:1-6**).

The **second application** for the universal law of entropy is in the citizens of the United States of America. We were established by our founders in the Constitution. The Constitution was given for order, function, and protection from a ruling class that would steal the freedoms the Constitution gives. In the mind and hearts of our Founding Fathers, before the Constitution, there was a [belief] (rooted in the Bible & English Law) that men were endowed with certain unalienable rights; and that neither king, nor government had any legitimate authority to issue or deny in place thereof.

However, what we see today, is a blatant disregard for that foundation our forefathers established on the blood of those who fought to allow its words to see paper. Because of that, **shame** has come on our nation, and from the great, proud people we once were, we are a nation of beggars, demanding entitlements for things we have not earned! Our leaders spend that which is not lawfully theirs, without regard for the generations that will be enslaved by the debt. So, future generations will not be able to pursue happiness, because of the demands of a spoiled people who charged their government to give them happiness without responsibility.

America is not crumbling today because we do not have good leaders. America is not crumbling today because we do not have enough money. America today is not crumbling because our Constitution has somehow become obsolete and invalid.

America today is in decline because the American Christian is in decline! This is the very point of entropy!!!

The **third application** for the universal law of entropy is found in individual responsibility. Both God and our nation's laws (founded on godly principles of individual responsibility), demand individual responsibility from everyone. The universal laws that govern the souls of men demand that all will answer for the deeds done in our bodies, were given for order and function to one another and as a society.

However, we likewise see today that a blatant disregard for anything other than what we want as the rule. *"If it makes me feel good, I want it!" "Who cares who gets hurt, I'm happy!" "It's my right to do what I want!"*

This has probably been one of the greatest detriments to our society and to the Lord's church.

Restore the founding source of wisdom endowed to us by our Creator, which will in turn restore the American Christian, then the Lord's church, then the Constitution, and then the Representative Republican form of government will work again!

1 John 5:3 "For this is the love of God, that we keep His commandments. And His commandments are not burdensome."

2 Corinthians 5:10 "For we must all appear before the judgment seat of Christ, that each one may receive the things *done* in the body, according to what he has done, whether good or bad."
