

"There is Nothing Wrong With..."

[Freedumb In America Today](#)

January 24, 2012

Dear Friends,

I think that people are misunderstanding "what" is failing them.

Because a nation, all its people collectively, will either sink or swim together – it becomes important as to what the "majority" perceives as – important – true – valid – and – worthwhile!

Misrepresentations, excuses and lies, only keep us from addressing the real and true problems we face today!

Regardless of what skeptics may think – I am confident that America will actually receive as "*their*" leader, exactly what "*they*" ask for and what *they* want!

So, rather than trying to place **all** of our hope that somehow this "*Just-Right Candidate*" will show up – perhaps there is more sensibility in trying to restore the American People to a condition of "Good" and from that higher-quality pool - the "**Best**" candidate will rise-up and be carried to victory because his character and honor and honesty will truly mirror those qualities-at-large in our culture. A crude, irreverent, and immoral disgusting culture is not going to somehow raise-up a man of good character, honor and honesty!

Robert

"There is Nothing Wrong With..."

The Liberal-Left has always been the home of whiners. They heap their woes upon their *altar-of-complaint* in their "*Temple of Whining*" daily!

Unfortunately, it does appear that this constant whining has begun to have an effect upon those who should know better; in both the secular and spiritual cultures of America today! Is there really any justification for the Christian to be overwhelmed by some of the topics of the current whiners?

In recent political debates (?) between the *so-called*, Republican Presidential candidates, they decided to try to play a leftist anti-capitalism card on one another!

It would appear that our *so-called*, "conservative" candidates forgot that,

"There is nothing wrong with Capitalism!"

The only problem with Capitalism in America today is that it has been hijacked by the "***Liberal-Left Ruling-Class Elite Statist***" as a way to fund their otherwise, unsustainable, socialist/communist agendas! Now that they are spending ***SO MUCH*** of the profits of American Capitalism that they can no longer fiscally subsidize their entitlements – they are telling people that "*Capitalism*" has failed!

Capitalism in America has not failed – only those responsible for tending to it have failed!

These same "***Liberal-Left Ruling-Class Elite Statist***" now need to assign blame in order to escape the obvious. So they are now trying to blame our current problems on our Constitution. They say that it has *out-lived* its relevance and it must be *re-written* and *up-dated*! They claim that our very "Freedom" is in jeopardy if we do not make our Constitution contemporary and include influences from other "*foreign*" judicial sources.

The basis of our Law and the judicial-purity has not changed in value or relevance and does not need to be changed in order to perpetuate our individual liberty and freedom – it only needs to be reaffirmed in its original context and adhered to accurately and in a full and consistent legal presence!

There is nothing wrong with our Constitution – only with those who have failed to maintain it as the absolute authority to "RESTRICT" encroachments upon the American citizen from an over-zealous government and activist-judiciary!

In America 2012, within the *so-called* conservative religious community, there is a concern; an outcry; that "**Sex**" is a growing problem! Younger and younger people are engaging in promiscuous sexual behavior. The perverted sin of homosexuality is becoming more accepted within our culture-at-large! *What is wrong with Sex?*

"There is nothing wrong with sex!"

God created sex! It is one of the most beautiful and wonderful gifts of God to man! That *only* changes when man perverts it and makes it profane! There is no deadly-disease in a godly sexual relationship. There are no thoughts of murder as an escape from a conception conceived within a *spiritually-right* sexual relationship. The intended pleasure of a spiritually-right sexual relationship is crowned with procreation!

Sex is a wonderful and beautiful thing when honored in the proper spiritual context which God intended and only becomes problematic when man determines to defile it!

Most sadly in America 2012 – there seems to be a growing feeling within the secular and religious communities-at-large that **God** has failed America.

Some incorrectly believe that the daily identifiable demise of America is the result of God's Wrath upon America. That God has passed judgment upon America and that we are now doomed and without hope! They believe that God cannot, or will not, save America and they wonder what has happened to God – that He would abandon us.

"There is nothing wrong with God!"

As a result of a very unique chain of events, beginning with those spiritually-committed Christian-Believing Founding Fathers of America – Americans have been uniquely blessed with an abundance of individual freedom and liberty, unparalleled in any other nation in the world!

Our nation's laws and the very basis for the structure of our unique government was modeled after Biblical example and as such was tempered by God Himself and woven into the fabric of that which became America!

The "quality" of God's design has not failed!

"There is nothing wrong with the Author of our Salvation!"

The bedrock of the divine ***Infallible Truth*** that is, ***God's Truth***, which is the very basis for the laws of America are still pure!

A little more than 2,000 years ago – having denied God; having murdered Jesus Christ; man did ask – ***"What shall we do?"***

Acts 2:38-47 ³⁸ ***And Peter said unto them, Repent ye, and be baptized every one of you in the name of Jesus Christ unto the remission of your sins; and ye shall receive the gift of the Holy Spirit.***

³⁹ ***For to you is the promise, and to your children, and to all that are afar off, even as many as the Lord our God shall call unto him.***

⁴⁰ ***And with many other words he testified, and exhorted them, saying, Save yourselves from this crooked generation.***

⁴¹ ***They then that received his word were baptized: and there were added unto them in that day about three thousand souls.***

⁴² ***And they continued stedfastly in the apostles' teaching and fellowship, in the breaking of bread and the prayers.***

⁴³ ***And fear came upon every soul: and many wonders and signs were done through the apostles.***

⁴⁴ ***And all that believed were together, and had all things common;***

⁴⁵ ***and they sold their possessions and goods, and parted them to all, according as any man had need.***

⁴⁶ ***And day by day, continuing stedfastly with one accord in the temple, and breaking bread at home, they took their food with gladness and singleness of heart,***

⁴⁷ ***praising God, and having favor with all the people. And the Lord added to them day by day those that were saved.***

As of this January, 2012 – America is in the midst of a secular election. A time when Americans will choose their leaders and I believe that a People will always get a leader that is representative of ***"who"*** and ***"what"*** they really are. In 2008 – American People wanted a leader

who would promise to **"Give"** to them things! How weak were the People of America at that time; so weak that they accepted nothing more than that this man would give them **only** - **"Hope"** and **"Change."** How much more nebulous and vacant could a promise have been? Yet – that was America's choice!

If those in America 2012 would like to see a better tomorrow for themselves and their children, Christianity **must be restored** in America. God has not judged America yet – but the blessings of God no longer flow into America while America remains separated from God and in defiance of God!

If there is not a restoration of the Christian Spiritual Values in the majority of the American People – we will only continue to get the "Best" of what the **"World"** has to offer – and as our Founding Fathers cautioned – that will not work in this **"American Representative Republican"** form of government!

"Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other." ~ John Adams

"Providence has given to our people the choice of their rulers, and it is their duty – as well as privilege and interest – of our Christian nation to select and prefer Christians for their rulers."
~ John Jay, First Supreme Court Chief Justice

"It is alleged by men of loose principles, or defective views of the subject, that religion and morality are not necessary or important qualifications for political stations. But the Scriptures teach a different doctrine. They direct that rulers should be men who rule in the fear of God, able men, such as fear God, men of truth, hating covetousness..." ~ Noah Webster, "the Schoolmaster of the Republic"

"When you become entitled to exercise the right of voting for public officers, let it be impressed on your mind that God commands you to choose for rulers, 'just [righteous] men who will rule in the fear of God.' The preservation of government depends on the faithful discharge of this Duty; if the citizens neglect their Duty and place unprincipled men in office, the government will soon be corrupted; laws will be made, not for the public good so much as for selfish or local purposes;

corrupt or incompetent men will be appointed to execute the Laws; the public revenues will be squandered on unworthy men; and the rights of the citizen will be violated or disregarded. If government fails to secure public prosperity and happiness, it must be because the citizens neglect the Divine Commands, and elect bad men to make and administer the Laws.” Noah Webster, “the Schoolmaster of the Republic”

If America will elect their next Leader based upon his ability to do well in debates or profess a fiscally-sound doctrine – but is NOT truly Christian in his walk – then America will continue to become more and more like *any* other nation on earth – hopelessly adrift in a secular world!

Christians have the answer! Let us not be tempted to become a part of the “Whiners!” Let us provide the Light to lead others to the solution!

“There is nothing wrong with; “Capitalism,” our “Constitution,” “Sex,” or God!”
