

We must be **wise!**

Dear Friends,

In these days, Christians must be cognizant alert and most of all – “*wise*” - as to what is going on within and without *their* universe of interests! There are children of Satan who through constant and unrelenting effort, will petition to enter into political and spiritually-conservative institutions and organizations. As can be observed from their past successes, their appeal will initially be very subtle and subdued and they will try to appeal to the kindness, love and understanding which constitutes the members of the groups that they desire to infiltrate.

However, once they have gained access they will attempt to pervert, dominate and destroy these groups!

Christians have been warned! Scripture has identified the distinction of that which we should define and guide us in **every** decision!

Test every spirit! In these days, there are those already within the Republican political party, and

other "so-called," conservative groups and organizations!

Satan's minions who fill the legions of his homosexual army will cry-out for *peace* and *understanding* from those who correctly condemn their chosen perverted and immoral preferences. They will falsely claim that "love" demands that they be accepted! However, every Christian must properly understand that it is because we "love" the lost soul entangled within the sin and abomination of homosexuality, which we desire to free them from their certain course to eternal damnation!

On this, Christians can stand firm! We must be wise and identify when sin attempts to move within and among us and we must also be ready to clarify **God's Truth** in how to deal with it when it does!

There are interests in the GOP who are homosexual, "GOProud" who have petitioned access, as a group, to "CPAC."

The good news is that they were denied but the long-term reality is that they will not stop their attempt for future recognition and acceptance.

American 2011 Christians – Be **Wise**, be **Vigilant** and be **True!**

Ephesians 5:13-16 "But everything exposed by the light becomes visible—and everything that is illuminated becomes a light. ¹⁴ This is why it is said:

***“Wake up, sleeper,
rise from the dead,
and Christ will shine on you.”***

¹⁵ Be very careful, then, how you live—not as unwise but as wise, ¹⁶ making the most of every opportunity, because the days are evil.”

James 3:13&17-18 *“Who is wise and understanding among you? Let them show it by their good life, by deeds done in the humility that comes from wisdom. ...¹⁷ But the wisdom that comes from heaven is first of all pure; then peace-loving, considerate, submissive, full of mercy and good fruit, impartial and sincere. ¹⁸ Peacemakers who sow in peace reap a harvest of righteousness.”*

“CPAC balloting confirms ‘GOProud’ out for 2012”

It’s been confirmed. GOProud, the “conservative” organization that has homosexual “rights” at the top of its agenda, is out for the 2012 Conservative Political Action Conference.

The event, organized by the American Conservative Union, is one of the largest conferences for conservatives held anywhere in the United States each year.

But it had faced the loss of some participants over the past several years specifically because of its

inclusion of GOProud. Some of the organizations whose leaders have raised concerns in recent years have included heavyweights such as the Heritage Foundation, Media Research Center, Family Research Council and Concerned Women for America.

But word of the change came today when WND obtained access to letters mailed to GOProud as well as the John Birch Society, which also was left on the chopping block by the new procedures that Al Cardenas, the chief of the organization, announced he would implement when he took over.

In a letter dated today and addressed to Jimmy LaSalvia at GOProud, Gregg Keller, national executive director for the ACU, said, "The American Conservative Union is preparing to open registration and announce sponsorship opportunities for our Conservative Political Action Conference (CPAC) 2012. As a courtesy to your organization, a previous co-sponsor of CPAC, this letter serves to inform you GOProud will not be invited to participate in a formal role for CPAC events scheduled during the 2012 election cycle."

The letter noted that GOProud "members" are welcomed and encouraged to attend "as individual registrants."
