When the Bough Breaks!

In the revealed word of God's prophets, illustration after illustration exists concerning God's raising up nations like mighty trees; only to cause them to wither and become infested with disease when they are full of pride, and love their own pleasure.

Note the words of God through Isaiah. As God through Isaiah proclaims that he will punish Israel for a time; additionally, he will also punish her enemies, note:

Isaiah 27:11 ***“When its boughs are withered, they will be broken off; The women come and set them on fire. For it is a people of no understanding; Therefore He who made them will not have mercy on them, And He who formed them will show them no favor.”***

This is a very enlightening revelation from Isaiah concerning the mind set of God towards those who in this passage are referred to as having **“No Understanding”**. Universally, this judgment exists, not because they had no understanding of general knowledge, but of the required service to God as the giver of all life!

These Old Testament passages exist as teachers and instructors concerning the involvement of God in the rising and falling of national powers.

I think, the Christian today has become numb to the proper understanding of God's involvement because it is not something He advertises, nor does it transpire in a time frame that draws our attention. None-the-less, we would be extremely naïve to consider that God is not as active right now in these thrones, principalities, dominions, powers, and the rulers of the darkness of this age; **as all things were created by Him and for Him!!!**

To this end, go ahead and sit back, watch, and view from the side-lines. But remember that Israel and Judah (God's own people), were judged with the

nations when they began to resemble them, **and failed to be set apart to a different standard.**

**So, Rock-a-bye, Christian
In the treetop
When the wind blows
We will not stand for the truth
The Christian will rock
When the bough breaks
The nation will fall
And down will come the nation
Its leaders, people, and all!**
