

Why Does Economic Freedom Matter?

Dear Friends,

I know from my own personal experience in conversations with some Believers, that they just cannot seem to understand "*why*" it is important and necessary that those professing Christianity also **MUST** participate in their civil/secular government.

The series: "***Understanding America***" provides an understanding of the essential critical blocks which make-up the foundation of that which does provide the "***Liberty***" and "***Freedom***" which is unique to America!

Our Founding Fathers wisdom can be viewed in their knowledge and understanding that *one* cannot have or exercise civil, political or, "***Religious***" freedom – if *one* does not first have – "***Economic Freedom!***"
