

Christian Prejudice!

By: David Hicks

Romans 12:9 “*Let love be without hypocrisy. Abhor what is evil. Cling to what is good.*”

In Christian life, we are to see all souls as a creation of God and valuable to Him. In addition, our lives are to be marked with charitable deeds to those who are truly in need of a hand up (not a hand out). This demonstrates the love of God without hypocrisy in keeping with the commandments of God.

1 John 5:3 “*For this is the love of God, that we keep His commandments. And His commandments are not burdensome.*”

However, there is a realm where we as Christians are to act with extreme prejudice! We are to “**Abhor what is evil**”. To abhor, is to [hate with prejudice]. This stands as testament to Christians that any and all evil cannot be tolerated, dismissed by political affiliation, or ignored (via ignorance). This command demands the Christian know what the influences around them emanate; and where they have the ability, assert their influences in unified prejudicial hatred of any and all evil practices.

We are taught that we must stand against evil and all who may tolerate it, until it can be said of us, by them:

1 Peter 4:4 “*In regard to these, they think it strange that you do not run with *them* in the same flood of dissipation, speaking evil of *you*.*”

Dear brother and sister:

You can no longer be a political party member based on what your mother and father were. You cannot belong to a party based on physical policy alone. There must be a unified understanding that any and all who represent us; that we have been given the responsibility to vote into office to represent our values, that they must represent this command to us as Christians. **The moment they do not, we must unify in voting them out!**

This unified voting bloc, must be solidified that those who wish to be elected will have to govern in their interests and fear their justified voting power against them if they do not!

Brethren, cling to what is good and never again stand by and watch someone else take it from you due to the [**absence of action**]. Let everyone in this nation of ours hear your voice. State with conviction this coming election your prejudice against evil.

If your candidates do not represent your values, find those in your communities who do and write them in. If we unify in these efforts, elections will be won or lost by the power of our voice. We will become a force that will have to be represented. The curve that has taken away the values we love through the word of God over the past 100 years will begin to curve back.

Show your abhorrence this November!
